

Feed Safety and Quality Policy Statement

Fundamental Philosophy

By delivering our products and services to the feed and livestock industry worldwide, we aim to contribute to the health and well-being of both people and animals around the globe as well as to the sustainability of our living environment.

Code of Conduct

1. We proactively incorporate and reflect requests from our customers into the development of products and services that are attractive, valuable, and capable of ensuring customer satisfaction.
2. We ensure the safety of our products and are committed to complying with relevant laws and regulations in all countries and regions where our products are used.
3. By actively utilizing FAMI-QS and ISO 9001, we continuously improve every stage of our products—from development to delivery—while working to prevent misconduct and quality-compromising changes and verifying our Feed Safety and Quality Goals. Through these efforts, we aim to achieve a high level of quality and safety from the customer's perspective.
